

Senate Bill No. 503

CHAPTER 447

An act to amend Sections 5076 and 5134 of the Business and Professions Code, relating to accountants, and making an appropriation therefor.

[Approved by Governor September 25, 2006. Filed with Secretary of State September 25, 2006.]

LEGISLATIVE COUNSEL'S DIGEST

SB 503, Figueroa. Accountants: peer review: fees.

Existing law provides for the licensure and regulation of accountants by the California Board of Accountancy, in the Department of Consumer Affairs. Existing law requires a firm that provides attest services, as defined, other than a sole proprietor or a small firm, to meet specified peer review requirements prior to the first registration expiration date after July 1, 2008. Existing law requires the board to review whether to implement the peer review program in light of changes in federal and state law or regulations or professional standards, and to report its findings to the Legislature by September 1, 2005. Existing law sets specified fees to be charged by the board.

This bill would require those firms to meet the peer review requirements within 3 years of the commencement of the peer review program, rather than prior to the first registration expiration date after July 1, 2008. The bill would revise the board's review and reporting requirement to instead require the board to review and evaluate whether to implement the program and to report its findings and recommendations to the Legislature and the department no later than September 1, 2011. The bill would require the board, if it determines that the peer review program should be implemented, to identify the resources necessary for implementation and to recommend a date for commencement of the program. The bill would revise the fees to be charged by the board.

Because this bill may increase fees deposited into the Accountancy Fund, a continuously appropriated fund, it would make an appropriation.

This bill would incorporate additional changes to Section 5134 of the Business and Professions Code proposed by AB 1868, to be operative only if AB 1868 and this bill are both chaptered and become effective on or before January 1, 2007, each bill amends Section 5134 of the Business and Professions Code, and this bill is chaptered last.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 5076 of the Business and Professions Code is amended to read:

5076. (a) In order to renew its registration, a firm providing attest services, other than a sole proprietor or a small firm as defined in Section 5000, shall complete a peer review within three years of the commencement of the peer review program and no less frequently than every three years thereafter.

(b) For purposes of this article, the following definitions apply:

(1) "Peer review" means a study, appraisal, or review conducted in accordance with professional standards of the professional work of a licensee or registered firm by another licensee unaffiliated with the licensee or registered firm being reviewed. The peer review shall include, but not be limited to, a review of at least one attest engagement representing the highest level of service performed by the firm and may include an evaluation of other factors in accordance with requirements specified by the board in regulations.

(2) "Attest services" include an audit, a review of financial statements, or an examination of prospective financial information, provided, however, "attest services" shall not include the issuance of compiled financial statements.

(c) The board shall adopt regulations as necessary to implement, interpret, and make specific the peer review requirements in this section, including, but not limited to, regulations specifying the requirements for the approval of peer review providers, and regulations establishing a peer review oversight committee.

(d) The board shall review and evaluate whether to implement the program specified in this section, and shall report its findings and recommendations to the Legislature and the department no later than September 1, 2011. If the board determines that the program specified in this section should be implemented, the board shall identify the resources necessary for implementation and recommend a date when the program shall commence.

Any increase in the renewal fee shall be made by regulation upon a determination by the board that additional moneys are required to fund authorized expenditures and maintain the board's contingent fund reserve balance equal to nine months of estimated annual authorized expenditures in the fiscal year in which the expenditures will occur. The biennial fee for the renewal of each of the permits to engage in the practice of public accountancy specified in Section 5070 shall not exceed two hundred fifty dollars (\$250).

(g) The delinquency fee shall be 50 percent of the accrued renewal fee.

(h) The initial permit fee is an amount equal to the renewal fee in effect on the last regular renewal date before the date on which the permit is issued, except that, if the permit is issued one year or less before it will expire, then the initial permit fee is an amount equal to 50 percent of the renewal fee in effect on the last regular renewal date before the date on which the permit is issued. (j) The fee to be charged for the certification of documents evidencing passage of the certified public accountant examination, the certification of documents evidencing the grades received on the certified public accountant examination, or the certification of documents evidencing licensure shall be twenty-five dollars (\$25).

(k) The board shall fix the fees in accordance with the limits of this section and, on and after July 1, 1990, any increase in a fee fixed by the

board shall be pursuant to regulation duly adopted by the board in accordance with the limits of this section.

(l) It is the intent of the Legislature that, to ease entry into the public accounting profession in California, any administrative cost to the board related to the certified public accountant examination or issuance of the certified public accountant certificate that exceeds the maximum fees authorized by this section shall be covered by the fees charged for the biennial renewal of the permit to practice.
